

## Desktop and Notebook Computer Solutions

### Desktop Computers:

Since our inception, we have supplied thousands of computer systems to government and corporate clients throughout North America. As a Value Added Reseller (VAR), we are partnered with more than 200 leading vendors. Nova Networks is ready to provide you with the solution you require, at the price you expect to pay.

### Desktop computer products offered:

- Smart Terminals
- Light Workstations
- CPU-based LANs
- Power Use Systems

### From these quality manufacturers:

- Apple
- Hewlett-Packard
- Compaq
- IBM
- Wyse
- SUN

Our size and independence allows us to provide you with both the best possible price for any system, as well as expert and objective advice to help you make the right decision.

**Please contact your Nova Networks Account Representative for an accurate and competitive quote today.**

### Notebook Computers:

Nova Networks has quickly earned a reputation as one of Canada's leading resellers of mobile computing products, including notebook computers, personal digital assistants and a wide range of accessories from respected manufacturers.
