

Call Nova for all your replication and duplication services. We can handle all forms of digital media including CD-R, DVD-R, CD-ROM, DVD5, DVD9 and DVD10.

Looking for something unique? How about mini or shaped CDs to give your product extra flair? You can choose from a variety of print options for labeling and disc decoration. No job is too big, or too small. Whether you need hundreds of thousands of copies, or ten, we can handle your project and will do it to your specifications. We don't deal in minimum or maximum order sizes so you get exactly the number you want without paying for extra copies you don't need. Regardless of the size or scope of your job, each project will be handled with the same careful attention to detail and professionalism you can count on to ensure your job is done right the first time.

Print and Packaging Solutions

We can help you with any format you decide on to present your CD/DVD. Choose from booklets, tray cards and printed sleeves, video boxes or card stock mailers. Whatever your budget, or your desired impact, we can assist you in finding the solution that's right for your job. Need something generic? We can also supply you with cardboard sleeves, clear plastic shells, adhesive sleeves or DVD cases.

Design Services and Content Development

Let our experts supply you with templates, advice, logo design or a complete project layout. You get final sign off on your project every step of the way so you can be sure your logo, label or other artwork will be just as you want. Our professional team can fine tune your presentation or content or can help you design your project from the ground up.

Variable Disc Printing

By varying the printing on your discs you can provide your client with personalized labels, specific ID numbers, individual access codes, even promotional materials, easily and effectively. Get the message across with a CD made just for them.

Memory Stick Manufacturing (USB)

Looking for a unique marketing piece? How about a custom-made memory stick with your company name or logo and a message they will get every time they use the stick? Get your name in front of your client with something they use regularly. Or, give your own employees a corporate tool/gift with custom-made sticks for in-house use.
